LETTER OF CONDOLENCE FROM LOCAL NO. 205.

In the midst of life, there is death. Whereas the great and supreme Ruler of the Universe has, in His infinite wisdom removed from among us one of our worthy and esteemed fellow laborers George W. Greenlee and

Whereas the long and intimate relation held with him in the faithful discharge of his duties, in this Union makes it eminently befitting that we record our appreciation of him.

Therefore be it resolved that the wisdom and ability which he has exercised in the aid of our organization by service, contribution and counsel will be held in grateful remembrance.

Resolved that the sudden removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this organization and will prove a serious loss to the Community and the public.

Resolved that with deep sympathy with the bereaved relatives of the deceased, we express hope that even so great a loss to us may be overruled for good by him who doeth all things well.
